Dios cuida de toda la creación. ¿Puedes ayudarlo?

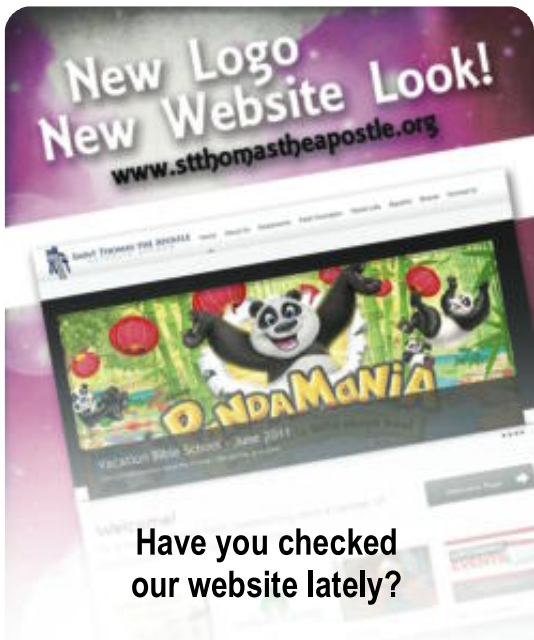

Con sólo reciclar las latas de aluminio en Santo Tomás, estarás ayudando a:

- Recaudar fondos para San Vicente de Paúl
- Reduciendo el desperdicio que va a dar al relleno sanitario o al incinerador de nuestra comunidad.

Trae las latas de aluminio de tu casa o de los eventos de Santo Tomás al recolector de basura que se encuentra detrás de las aulas de catequismo. Sólo recuerda que:

- Únicamente se pueden depositar latas de aluminio de bebidas.
- No debes depositar comida, ni envases de comida para mascotas.
- No debes depositar basura, plástico, ni otros metales.

Have you checked our website lately?

The official website of our church has undergone a major facelift to reflect events of the parish, site navigations of interest, as well as the use of our new church logo and social media tools. The end result is a sleek and sophisticated website that is simple to use and easy to navigate.

The **new website** was developed by Patricia VanBuren (our Parish Secretary) and it was launched on May 1st, the same weekend that our **new church logo** went to print on our Parish bulletin.

We would like to thank Sam Okeh, parishioner and Web designer, for his many years of service maintaining the previous site. We are grateful for the time and talent that he offered to our parish during the past five years.

We hope that you enjoy our new site!
