A certified copy of your child's birth certificate must be presented to the preschool office staff by May 1, 2012. A photocopy of the birth certificate will be kept in your child's file and the original certified copy will be returned to you.

Registration fee, supply fee and tuition payments are non-refundable if you must withdraw from our program.

As a small, private preschool, our resources are limited. We do not employ any special education teachers on staff and cannot make any guarantee about our ability to provide an adequate and appropriate educational setting for a child with special needs. We will make an effort to accommodate a child's special needs, however, when a child's special needs prevent us from providing the program described in our handbook, it may be necessary for the family to find a suitable alternative program for their child.
